# SCHOOL FOR FEEBLE MINDED

Matter of Establishing One Being Agitated.

SCHOOL BOARD MAY ACT.

There Are Now 23 Such Unfortunates In the City, Whose Cases Should Receive Consideration.

The matter of establishing a special school for feeble minded children in this city is being agitated among the members of the school board, and that body has given the proposition some consideration and it is quite probable that the matter will be very seriously considered in the near future, as the number of children in the city so afflicted will warrant the establishment of such a school, where a teacher especially adapted to such work can give each pupil individual instructions.

City Supt. of Schools Christensen recommended in his annual report that steps be taken to provide some means of instructing feeble minded children. There are now about 23 of such children in the city and the supersuch children in the city and the superintendent is of the opinion that they
should be provided for in our schools
the same as in other large cities. As it
is now they have no opportunity whatever to learn as they are instructed
with the regular classes and cannot be
given individual instructions which is
absolutely necessary in order that they
may make any advancement whatever.
Such children could be provided for
by setting apart one room in a centrally located school building, where a
teacher especially adapted to such work
cuild give them individual instructions,
which would include manual training

which would include manual training work, If such provision were made Prof. Christensen thinks that it would

work. If such provision were mide Prof. Christensen thinks that it would result in great benefit to the children, whereas otherwise they would receive practically no benefit from their school work.

Another department which Prof. Christensen thinks will eventually have to be established as the city increases in population is a parental school, where children who are beginning to get beyond the control of their parents and who have not the proper home environments may be taken and boarded and trained, at the expense of their parents. Such an institution would save a great many children from ruin and from the reform school. The school would be a home institution and would not be looked upon as a prison or a place of punishment, but a place where the children could be given the proper home influences. Such schools have been established in Philadelphia and other eastern cities and have been very successful. Children could be taken in when they first begin to show signs of recklessness and incorrigibility and could be reformed and saved from lives of vice and crime.

Some time between 9 o'clock last night and noon today, John P. Crystal, 27 years of age, and a car inspector recently employed by the Rio Grande Western Railway company, committed suicide by taking poison. At this time no reason is apparent for the man's terrible deed, and it will not be known until an autopsy is held what the man took to end his life. He jeft a note ad-

dressed to his wife as follows:
"Salt Lake City, Nov. 26.—My dear sweetheart, goodbye. Write my mother. I couldn't do what I would like to do, The suicide was committed in room 16 of the Colorado house on west Sec-

of the Colorado house on west Sec-ond South street, and was discovered just before 1 o'clock by one of the Chambermaids, who entered the room for the purpose of making up the bed. Upon pushing the door open, she was horrified to see the man's body doubled up on the floor. His body was cold and stiff and was beginning to discolor. In his hand was clutched a half-smoked cigarette. The dead man's face was almost black and bore evidence of great physical suffering.
Some letters were found in the pock-

ets of his clothing, but they threw no light whatever upon the mystery. He has a wife living at present at Soldier's Summit, and the authorities have notified her of the unfortunate man's terri-ble taking off.

Amoung the many effects there was a small envelope containing a powder. Upon the envelope was written: "Trioval, 10 grains.

ployes of the Colorado house say that Crystal went to his room at 9 o'clock last night and he was apparently perfectly sober. No noise or disturbance was heard and there was turbance was heard and there was nothing about the man's action to The letter, above quoted, was almost

e, the words being scrawled all over the paper. A careful search of his clothing disclosed the fact that the dead man had no money or valuables. Immediately after the body was found the police department was no-tified and Officer Gatehouse was detailed to make an investigation. The let-ters and other effects were taken to the

body was turned over to Undertaker Joseph W. Taylor, who will pre-pare it for burial, Justice C. M. Niel-sen was called to view the body and will hold an inquest if one is deemed necessary by the county attorney. The dead man was a member of the Woodmen of the World.

## FEDERAL COURT.

The petition of Joseph Hansen and C. J. Bengtzen, bankrupts, for leave to file a petition for discharge was up before the federal court this morning. As more than a year had passed since the filing of the first petition, both were denied.

The bankruptcy case of Thomas J.

Everill came up for a hearing in the federal court this morning. Several objections had been filed against his discharge, but upon a hearing the court

overruled them all, and the order of a discharge entered.

Mark P. Braffet was admitted to practice before the U. S. court at this norning's session.
Instructions were given the receiver

m certain minor matters relating to the Young Ladies Officers' Meeting, The officers' meeting of the Y. L. M. A. of the Salt Lake stake will be held in the Lion House on Saturday, Dec. , at 3 p. m. A full attendance is de-

NELLIE C. TAYLOR, LUCY W. SMITH. EMILY C. ADAMS, Stake Presidency.

# If You Pity

A Sick Friend, Tell Me His Name, Let Me Help Him.

Just write a postal card-only the cost of a penny. Ail I ask is the name of a friend who needs help. Tell me the book to send.

Then I will do this:-I will mail the sick one an ordergood at any drug store-for six bottles Dr. Shoop's Restorative. He may take it a month at my risk. If it succeeds, the cost is \$5.50. If it falls, I will pay the druggist myself. And the sick one's mere word shall decide it.

Don't think that too fair to be possible, for I do just as I say. I do it to convince those who don't know me, and

so that everyone who needs help will accept it. I have learned that the cured ones are fair. I have furnished my Restorative to hundreds of thousands on just those terms, and 39 out of each 40 have paid gladly, be-

cause they were cured. I have willingly paid for the rest. And I spent a lifetime in perfecting the remedy before I ever offered it to anyone. At thousands of bedsides, in hospitals and homes. I have watched it cure the most difficult cases that physicians ever met. I learned that it does not fail, save where some cause-like cancer-makes a

cure impossible. My success comes from strengthening the inside nerves. My Restorative brings back that nerve power which alone operates every vital organ of the body. Common treatments merely doctor the organs, and the results at vest are but temporary. My remedy restores the nerve power that makes these organs act. No other treatment does that, and there is positively no other way to make weak vital organs

My book will explain this. It tells about the only remedy so sure than any man dare offer it on such a plan as mine. Won't you tell me a friend who needs it?

Simply state which book is wanted and address Dr. shoop, Box 713, Racine, Wis.

Book No. 1 on Dyspensia. Book No. 2 on the Heart Book No. 3 on the Kidneys. Book No. 4 for Women. Book No. 5 for Men (sealed Book No. 6 on Kheumutism

Mild cases, not chronic, are often cured by one or two bottles. Dr. Shoop's itestoralive is sold by all druggists.

# RATE WAR IS QUITE PROBABLE

Chicago, Nov. 28 .- Present indications point to a war among western lines over imigrant traffic

The traffic men of the passenger departments of the western lines met here today, with Commissioner Wadleigh and Chairman McLeod, of the Western Passenger association, in an effort to reach a settlement. The meeting was the lines interested could be induced to dip a bit deeper into their pockets and give the Rock Island the recognition for its El Paso line, which Mr. Sebastian thinks it should have.

It is understood that the Rock Is! and is standing out for 10 per cent the revenues between the Kansas City and El Paso divisional points. On the other hand, the officials of the Rock Island are said to be willing to leave the matter to arbitration. When the conference met it was found that the Southern Pacific was unwilling to submit to achitration and some of the lines dld not care to contribute a sufficient mount of their present shares to make up the percentage demanded by the

Rock Island. The Santa Fe is also said to be averse to arbitration. A committee was appointed, consisting of Passenger Traffic Managers Sebastian, of the Rock Isl-land; George T. Nicholson of the Santa Fe, and E. O. McCormick of the Southern Pacific, who were instructed to try to reach a common basis and report to the advisory committee of the bureau the result of their efforts.

## Old Officres Re-elected.

A meeting of the directors of the San Pedro, Los Angeles railroad, and the Empire Construction company, was held at Los Angeles yesterday, for the purpose of electing the officers of the companies. No change was made in the personnel of either company, all of the old officers being re-elected.

## Surveying in Nevada.

Mr. J. Clippenger of the San Pedro ailroad, reached the city this morning from a trip along the line of the sur-vey in Nevada. He reports that the surveying party has now moved its headquarters to Kurnans in the Meadow Valley Wash. The work is going on as if there was to be only one line through the wash, and the work is being carled on in a most thorough man-At the present rate of progress it will take the engineers until the first of the year before they will get out of the Wash. He reports the weather to be all that can be desired for field operations, and that the health of the party is the best.

## Will Pension Employees.

Omaha, Neb., Oct. 28.-Rules and egulations for a pension system which will go into effect Jan. 1, 1903, have been completed by officials of the Union Pacific rallway, by which its old employes will be retired on pensions. The details of the system will not be made public until later, but it is officially stated that the details of perfecting the

regulations printed. It is also stated that it will involve the annual distri-bution of over \$200,000.

#### Butte Man Promoted.

Butte, Mont., Nov. 28 .- A special to the Miner from Kalispell says:

J. G. Taylor, formerly superintendent of the Montana division of the Great Northern, with headquarters at Havre, has been appointed superintendent of terminals of the Northern Pacific, with headquarters at Winnings

### LATE LOCALS.

A large derrick is being set up at the Federal building. Hot house radishes are in the market,

Held received this morning his new called because of the impression that tenor saxaphone from Paris, which will arbitration could be brought about on be operated by Mr. Allison of the band. Mayor Thompson today approved the appointment of Louis F. Watts as a

member of the fire department. "If and Why?" is the tittle of an address to be made tomorrow afternoon to young men in the Y. M. C. A. rooms

by Rev. P. A. Simpkin. The regular meeting of the Veteran Firemen will be held at their hall, 271 Canyon Road, Dec. 1, at 8 p. m. A full attendance is desired as business of im-

portance is to be transacted. On Monday, Dec. 1, the librarian of the free public library will commence issuing a second card to all patrons who desire to take out books other than

fiction. Lieut.-Col. E. A. Mosely and Maj. Sharp of the army arrived last night from the east as part of the office board of survey which will decide on the main features of the reconstruction of

Fort Douglas. The funeral services over the remains of the late Mrs. E. G. Holding will be held at 12 o'clock tomerrow at the Fifteenth ward chapel. Friends may view the remains at the family resi-dence from 10:30 to 11:30 a. m.

The R. M. Bell Telephone company, has changed 1,337 phones over to the new style, and expect to have all the remainder changed in 10 days or two weeks. The management is catching up on orders for instruments, and re-

ports new orders coming in fast. The funeral of Samuel King will be held tomorrow afternoon at 2 o'clock, from the Elks' hall. The funeral will be under the auspices of the Elks and the Association of Philippine Veter-

ans. All veterans are requested to meet at the Eiks building at 1:30 p. m. Postmaster Thomas has notified the department that the local supply of letter boxes has run out, and that more would be acceptable. He has also written urging attention at Washington to the petition for extension of the rural free delivery system west of the city to the point of the mountain.

The Woodmen of the World, Pacific The Woodmen of the World, Pacific Jurisdiction, of this city, will hold a united Log Roll Dec. 8, in the Grand Theater, where the three city camps will initiate 600 new members, increasing their membership from 1303 to 1903. W. H. Birch of Colorado, will be present as the organizer for Utah and Idaho.

Davis county farmers say that it no longer pays them to maintain milch cows with the high prices they are ob-liged to pay for hay and feed, and the low price paid for milk by the cream. eries. One farmer declared he had not been getting higher than 4 cents per gallon for his milk-which did not system have been worked out and the | pay.

# RECULARS NAME **PROF. CUMMINGS**

Nominated by Acclamation in the First Precinct Last Night.

PLATFORM HE STANDS ON

Denies That There is Any Friction Between the High School and the University of Utah.

The First precinct regulars, in convention assembled last night, nominated by acclamation as a member of the school board, Prof. Byron Cummings of the University of Utah. The meeting was presided over by Prof. J. H. Paul and A. S. Martin acted as secretary. After the reading of the call, nominations were declared in order, and Mr. Cummings was named by H. and Mr. Cummings was named by H. C. Williams. The name was received with cheers and after being duly seconded a motion was made that the rules be suspended and Mr. Cumimings be declared the nominee of the convention by acciamation. This was done without a dissenting vote.

Prof. Cummings being called for, the gentleman responded with a neat speech in which he said his platform would be a desire to do right. He denied that there was any friction between the university and the high school, and declared that he would be the last man to encourage or cause such a con-dition. The qualifications he would de-mand for teachers in the public schools, he said, were three: First of all, char-acter; second, scholarship, and lastly, a love for the children with whom they

were brought in contact. BOLTERS REFERRED TO.

Chairman Paul briefly referred to the action of the bolters, who were pleased to style themselves "independent citizens," calling attention to the inconsistency of the position they occupied. These men, said he, bad violated their word of honor when they issued a call for an "independent" convention. This call was read by the speaker and he charged that its authors had not the ourage to come out and say that any organization was interfering in the school campaign, but made a dark charge against them all. In view of the fight that is imminent, the speaker suggested that a permanent chairman and campaign committee be appointed to work for the nominee of the convention. The suggestion was adopted and one committeeman was named from each of the eleven voting districts in the precinct. C. S. Martin was elected cha man and the following are member of the committee: Martin Stockman, John E. Cox, A. C. Sadler, L. E. Iyerson, Phil Maycock, W. R. Foster, David Kingsbury, F. C. Bassett, James Oswald and David Hogan.

# At this juncture the convention ad-

EYER BEATS CORUM. Independents" Name the Former By a Vote of 152 to 110.

At the "independent" convention held ives in the city and county building last night for the purpose of nominating a member of the school board from the First precinct. Daniel Eyer secured the nomination over J. J. Corum, by a vote of 152 to 110. One vote was cast for Prof. Byron Cummings. The total vote was 263. The contest was exciting and there was much enthusiasm

James H. Brown called the conven-tion to order at 8:19 o'clock, and briefly stated the object of the meeting, E. W. Wilson was placed in nomination for chairman, and was elected by acclama-tion. On taking the chair, Mr. Wilson said he was glad to preside over a meeting whose object was the nomina tion of an independent candidate for the school board, who would satisfy the people of the precinct. J. R. Letcher was elected recording secretary and John Montgomery, financial secretary E. B. Critchlow then read the call for the meeting, as published in last evening's "News." W. S. Giesy moved that the call be adopted as the platform of the meeting. Dr. R. G. McNiece rose to explain that, while he favored J. J Corum as an independent candidate he lid not want the impression to go out that there was any hostility between the University of Utah and the High School or between Prof. Cummings and the High School. He was assured that

the call did not imply this. S. B. Wes-terfield moved as an amendment to the platform that all in the convention be pledged to support the nominee. platform and amendment were both Nominations were then declared to be in order upon the motion of A. H. Par-sons. George L. Nye secured the floor and nominated J. J. Corum. A. F.

and nominated J. J. Corum, A. F. Lawson placed the name of Daniel Eyer in nomination. A. F. Lawson George L. Nye and Fred J. Leonard were named as tellers, after which the vote was taken. The people filed out the door and deposited their ballots as they passed through, and after all had voted they returned to the room. The result of the vote as given above was result of the vote as given above was then announced, and the nomination of Mr. Eyer was made unanimous upon motion of Mr. Corum. Mr. Eyer in response to a call made a short speech, thanking the convention for the honor and promising if elected to do his whole duty to the best of his knowledge and

ability.
W. H. Clark moved that the chairman appoint a campaign committee of eleven, one from each district, and each of these to have the authority to appoint a district committee of 10 to look after the canvass and see that the voters got out to the polls. After the appointment of the following committee the meeting adjourney; A. F. Lawson, chairman; First district, C. E. Street; Second, J. D. Pardee; Third, John Montgomery, Jr.; Fourth, L. B. Moore;
